Dear «Parental_Salutation»

I am pleased to inform you that the Year 7 cohort have the opportunity to participate in a Spelling Bee. This will require them to learn 100 spellings over the Christmas holiday and throughout January within Tutor Time.

Students have been given a list of 90 spellings, chosen from their Anthologies and a selection of commonly misspelt words, as well as 10 that they have personally chosen from their school work that they feel they need to learn.

Every week, students will have the opportunity in Tutor Time to practise spellings with their peers and try different strategies for learning.

At the end of the month, there will be a designated assembly to find CCW's Spelling Bee Champion.

The list of spellings have been handed out to students with tips and tricks to help them learn the words and it will be publically available on Show My Homework. To support your child at home, we ask that you practise the different strategies and spend time in the evening revising spellings.

No pupil will be penalised as a result of not being able to recall any spellings, and if your child is dyslexic they should set an achievable target in liaison with you and Tutors.

If you have any questions, feel free to contact me on ewonford@ccw.kent.sch.uk .

Yours sincerely

Miss M Wonford
